

New Bitcoin Funding Request

Hard Assets Alliance account holders can now fund their account using Bitcoin.*

**If you wish to fund your HAA account using bitcoins you own, fill in the form and follow our instructions below.*

HAA Account Number: _____

Name: _____

Email Address: _____

Invoice Amount** : _____

***Specify amount of Bitcoin to fund or a specific amount of US dollars worth of Bitcoin*

IMPORTANT INFORMATION

- We will submit the above information to BitPay to generate an invoice. The BitPay invoice will expire after 24 hours. **DO NOT** use an expired invoice or the bitcoins will be lost/delayed. Please request a new invoice through Customer Support if the link expires.
- Once you click the link on the BitPay invoice, it will only be valid for 15 minutes so it is important that you click it and complete the information immediately.
- Once you input the information you will be prompted to the next link which allows you to open the payment in wallet. If you have questions there is also a “How do I pay this” link.
- It may take from 2-48 hours for the account to be funded after actioning the invoice.
- Once you see the funds in your HAA account, you will be able to use them to purchase precious metals.
- Please email your new Bitcoin order request to support@hardassetsalliance.com with the subject line: New Bitcoin Order Request.
